## **Biosecurity Requirements**

It is a condition of entry that exhibitors maintain good biosecurity practices whilst at the event and comply with the following requirements:

- All livestock **MUST** be in good health, eating normally and not shown signs of illness or disease, at least 3 days prior to and on arrival at The Caves Show.
- All livestock **MUST** arrive clean and free of organic material.
- All vehicles and equipment must arrive clean and free of organic material (eg. excess manure and mud) that could contain disease or pests.
- Any signs of disease at the event must be reported to a steward, and if deemed necessary examined by the on- call veterinarian at the owner's expense.
- In the event of a suspected livestock disease, exhibitors must follow any instructions given by a steward. If directed, livestock will be moved to an onsite quarantine facility for testing and/or treatment.
- In the event of any livestock movement restrictions, the exhibitor is responsible for the care, maintenance and cost of livestock including feeding and watering for the duration of the restriction.

**All animals must have a Health Declaration Form** available from  
[www.thecavesprogress.com.au/the-show](http://www.thecavesprogress.com.au/the-show)
